**August 10, 2011** (Paris) – CASSIOPAE SAS, a market leader in global asset finance software, is pleased to announce the location of its new Paris office at 82 bis – 84, Rue de la Procession.

Previously located at 174, Quai de Jemmapes, Cassiopae SAS's new office has four times as much floor space and can be easily reached by metro (Volontaires L12 or Pernety L13) or bus (62, 88, 95). A detailed map and directions are available at: <http://tinyurl.com/CASS-Paris-Directions-1>

Cassiopae SAS President Emmanuel Gillet explains that “the move was necessary because Cassiopae has been rapidly growing through increased client activity, acquisition of affiliate companies, and expansion into new geographies. The new office is large enough to handle this growth.” Gillet adds that “the new office layout is also a better match for Cassiopae’s internal structure and is more visitor-friendly.”
